HARD FEDERATION GOVERNING BODY**

Governors' Allowances Policy

This policy statement has been developed in accordance with the School Governance (Roles, Procedures and Allowances) (England) Regulations 2013. These regulations give Governing Bodies the discretion to pay allowances from the school's annual budget allocation to governors for certain expenditure which they incur in carrying out their duties.

The Federated Governing Body for Hexham Middle School and Queen Elizabeth High School believe that paying governors' allowances is important in ensuring equality of opportunity to serve as governors for all members of the community subject to the availability of school funds.

Both of the federated schools currently have a constrained financial situation therefore for this reason no allowances will be paid in 2015/2016.

This policy will be reviewed annually.
