

Carol Feely

Newcastle College, Foundation Degree specialising in graphic design.

University of Creative Arts studying Graphic design.

3<sup>rd</sup> year.

Hoping to continue with illustration when degree is complete.

Chris Mckie

Northumbria University, Architecture.

2<sup>nd</sup> year. 7-year course.

Originally began a Law and politics degree at another university, but was not enjoying it so changed both courses and universities. Found this very easy to do.

Although university is close to home he chose to live out in Newcastle.

Michael Palmer

University of Newcastle, MEng Mechanical and Material Engineering.

4<sup>th</sup> year.

Jodie Dennis

University of Birmingham. LLB Hons, Law Degree.

Graduated in 2006.

Currently taking a gap year.

Nathan Billings

University of Exeter. Bsc Renewable energy.

Graduated in 2006.

Currently owns his own business.

Gained a Level 2 NVQ in Business and Administration.  
Night classes: 3HEFC's (A Level equivalent).  
University of Northumbria, Psychology.  
1<sup>st</sup> year

Laura Harman  
University of Leeds, BA Hons in Linguistics and Phonetics.  
3<sup>rd</sup> year.  
Hopefully will lead to a job in speech therapy, media, teaching etc.

Alexia Sutton  
Northumbria University. History of Modern Art, Design and Film.  
3<sup>rd</sup> year.

Michael Chandler  
University of Durham, Msci physics  
4<sup>th</sup> year.  
Thinking of doing an additional master in Geophysics.

Rachel McShane  
Final year at Nottingham University.  
Maths and Economics.  
Did an internship during the summer which has led to a job with an  
accountancy firm in London (KPMG), starting in September.

Clare Leavey

Graduated from University of Liverpool with a degree in English and History. Completed a months work experience in the BBC Archives in Manchester. This led to being offered a job of Production Team Assistant on A Question of Sport, where she has now worked for 5 months.

Alys Horton

Took a gap year after high school.

Final year at Bristol University. Joint degree in Politics and Sociology.

After graduating she hope to do a law conversion course at BPP in Manchester, with a look to qualifying as a solicitor.

Michael Burn

Took a gap year after his A Levels and worked for Northumbrian Water.

Currently at York University studying Chemistry.

While studying his degree he has also been a volunteer coordinator for the college, taught additional work to first year Chemists, and was involved in a kids camp for under privileged children.

He is planning on doing a Masters in industry next year at a Polymer company in Carlisle.

Sarah Currie

In her final year of a Criminology and Psychology degree at Sheffield Hallam.

After graduating she hopes to join the police.

Lucy Carracedo

Currently in her third year of a BSc in Pharmacology at Newcastle University.

Aimee Toward

Huddersfield University. 3<sup>rd</sup> year, doing textile design for interiors.

Currently on a work placement.

Laura Gifford

Currently doing her last year of a three year Natural Sciences Degree in Biology and Psychology, at Durham University.

She took a year out after her second year to have a rest.

Her future plans include becoming a yoga instructor.

Rebecca Learman

Loughborough University.

3<sup>rd</sup> year. BA Silversmithing and Jewellery.

Due to graduate in the Summer.

Hayley Mckie

Graduated 06 in Psychology from Newcastle University.

Took a year out after graduating.

Hopes to do a Masters in Social Work and become a Social Worker.
