Introduction

Hadrian Learning Trust is a Multi-Academy Trust, which currently comprises two schools:

- Hexham Middle School
- Queen Elizabeth High School

As a charity and company limited by guarantee (Company Number 1092899446), we are bound by our [Articles of Association](#) and the [Funding Agreements](#) signed with the Secretary of State for Education. We are regulated by the Department of Education through the Regional Schools Commissioner, the Education Funding Agency and by Ofsted.

This document sets out the governance and leadership arrangements for Hadrian Learning Trust. As required by the Academies Financial Handbook, the Scheme of Delegation sets out the respective roles and responsibilities of Members, the Trust Board, and committees and individuals to whom powers have been delegated.

Ethos

*Outstanding eagerness to promote good learning**

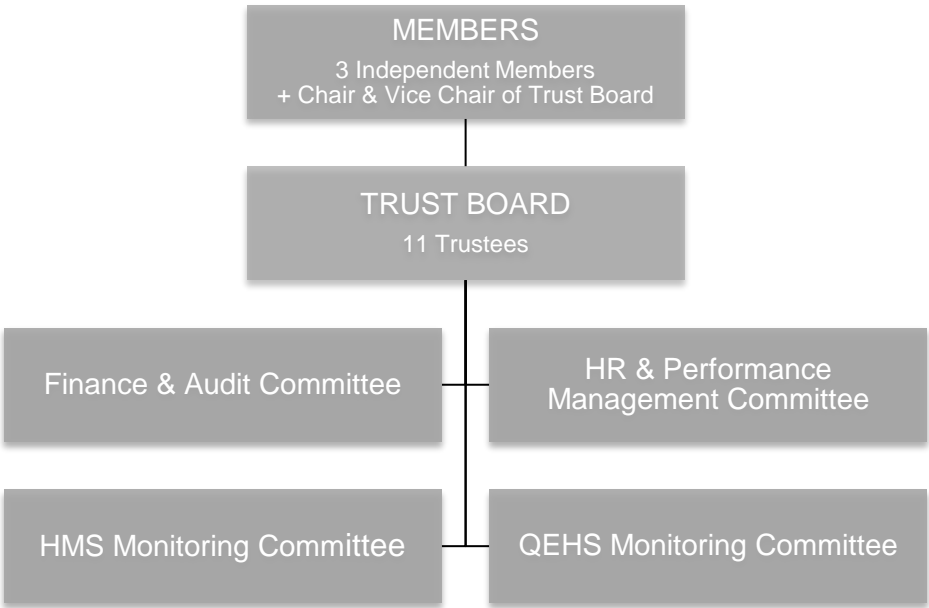

This is a friendly, welcoming school, built on foundations of mutual respect and care for others. We work together to become all we can be.

We share a love of learning and believe in the highest academic standards for everyone. We value education in its broadest sense, knowing that the arts, sport and other opportunities help shape us as individuals and as citizens of the wider world.

We are committed to enabling all of our students to develop their knowledge and understanding, skills and mindset, so that they can take their next steps with confidence. Our aim is that every child will grow into a happy, fulfilled and successful adult.

** Charter granted to the people of Hexham by Queen Elizabeth I, 1599*

Governance Structure

Members

The Members of the Trust act as custodians of the schools' ethos and must approve any change to the Trust's constitution (known as the Articles of Association). They have the power to appoint and, if necessary, remove Trustees/Directors of the Trust Board.

The role of the Members is set out in the Articles of Association and their Letter of Appointment. It is, for the most part, a hands-off role.

Three of the Members are independent from the Trust Board. Their appointment was approved by the Regional Schools Commissioner on the basis of their knowledge and experience. The Chair and Vice-Chair also sit as Members, helping to ensure effective communication.

Members have no fixed term of office. They usually meet up to three times a year, including at the Annual General Meeting when they receive the Annual Report & Accounts.

The Trust Board

The Trust Board usually meets monthly during term-time. It fulfills many of the functions of the Governing Body in a maintained school. Some of these functions are delegated to Committees, as set out in the Scheme of Delegation below.

Up to eleven Trustees are appointed or elected on the basis of the knowledge, skills and experience that they can bring to the role. Any gaps or omissions are identified annually with a Skills Audit and filled via training or the co-option of additional Trustees.

The Term of Office is four years. The Executive Head Teacher is a Trustee on an ex officio basis.

Role of the Trust Board

The Senior Leadership Teams of the schools are responsible for their day-to-day operational management. The Trust Board is focused on three core strategic functions:

- Ensuring clarity of ethos, vision and strategic direction;
- Holding the headteacher to account for the educational performance of the schools;
- Overseeing the financial performance of the school, ensuring money is well spent.

The Companies Act 2006 also imposes a general duty on Trustees as Directors to:

- Act within their powers;
- Promote the success of the company;
- Exercise independent judgement;
- Exercise reasonable care, skill and diligence;
- Avoid conflicts of interest;
- Not to accept benefits from third parties;
- Declare any interest in proposed transactions or arrangements.

In addition, the Trust Board must also fulfill its duties and obligations as a charity:

- To ensure compliance with any legal obligations;
- To report on the Trust's activities (the Trust must prepare accounts in accordance with the Statement of Recommended Practice for Charities, the so called "Charity SORP" and any reporting requirements of the Education Funding Agency);
- To fulfil the charitable object of the Trust as set out in its constitution (i.e. the Articles of Association) and to act in a way which is compliant with the rules of the Trust contained in the Articles;
- To act with integrity and to avoid any personal conflicts of interest and not to misuse any charity funds or assets;
- To act prudently in the financial management of the Trust, avoiding putting any assets, funds or reputation of the Trust at undue risk;
- To exercise reasonable care and skill, using personal knowledge and experience to ensure the Trust is well run and efficient; and
- To act responsibly, getting advice from others, including professional advisors, where appropriate.

Trustees and Members are bound by the [Nolan Principles](#) of Public Life and the Trust's Code of Conduct.

Scheme of Delegation

The Trustees may delegate such of their powers or functions that they can legally delegate and which they consider would be desirable to delegate. The Directors must not delegate any of their powers listed below under "Reserved Matters".

Delegation can be made to:

- Trust Committees;
- Individual Trustees such as the Chair or Vice-Chair or Clerk to the Trust Board;
- Executive Head Teacher, including such persons as the Executive Head Teacher may determine for operational reasons;

However, every act of delegation shall be a delegation of powers and duties, and not a delegation or shedding of responsibilities. The Trust Board may take back any power or duty delegated at its discretion.

Decisions taken or actions made by bodies or individuals under delegation shall be reported back to the Trust Board at its next meeting.

Reserved Matters

The Reserved Matters are:

1. To change the name of the Academies or the Multi-Academy Trust;
2. To change the Objects (which would require Charity Commission and Secretary of State consent in any event);
3. To determine the educational character, mission or ethos of the Academies;

4. To change the structure of the Trust Board or the constitution and Terms of Reference of any Committee of the Trust Board;
5. To alter or amend the Articles or this Scheme;
6. To pass a resolution to wind up an Academy or the Academy Trust;
7. To establish a trading company;
8. To sell, purchase, mortgage or charge any land in which the Academy Trust has an interest;
9. To approve the annual estimates of income and expenditure (budgets) and major projects;
10. To appoint auditors and investment advisers;
11. To sign off the annual accounts;
12. To appoint or dismiss the Principal Finance Officer, Senior Leaders or the Clerk to the Directors;
13. To settle the division of executive responsibilities between the Trustees on the one hand and the Head Teachers and the Principal Finance Officer on the other hand, and to settle the division of executive responsibilities between those individuals;
14. To do any other act which the Funding Agreement expressly reserves to the Trust Board or to another body (including for the avoidance of doubt, terminating the Funding Agreement or any part thereof);
15. To do any other act which the Articles expressly reserve to the Trust Board or to another body; or
16. To do any other act which the Board of Directors determine to be a Reserved Matter from time to time.
