

## POST RESULTS SERVICES – SUMMER 2018

**1. Clerical check or 1C. Clerical check with photocopy of exam script:** The script is not remarked but is checked to ensure that all parts have been marked and that the marks have been totalled up correctly.

**2P. Priority review of marking:** This service is for students awaiting university places. Please contact the Curriculum Office for advice first.

**2. Review of marking or 2C. Review of marking with photocopied script:** If you wish to apply for a review of marking please contact your subject teacher for advice before completing the application form.

**ATSC:** Return of photocopied script is the quickest way to receive your script and if ordered very soon after your exam it ought to be sent back to you before the deadline for review of marking. This should enable you to request a review of marking if required.

**ATSO:** Do not ask for your original script to be returned if you think you might make any kind of appeal about your results. (Once it is sent then the script's security will be compromised.)

SERVICE	EXAM BOARD	AS/A COST	GCSE COST	DEADLINE DATE (to be received in Exams by 11.30am)
