

Sixth Form Bulletin 23/03/18

Queen Elizabeth High School, Hexham

Careers/Apprenticeships

YEAR 13 Muckle LLP, based in Newcastle, offers a **six-year Solicitor Apprenticeship**. Participants will earn while they learn with a **£16,000 starting salary**, gaining real-life **work experience** while achieving an **LLB (Hons) in Legal Practice** with academic support from **Northumbria University**.

Interested students can attend the **North East Solicitor Apprenticeship open day**, held on **Tuesday 27 March 2017**, where they can hear more about the opportunities available, talk to Muckle and the other firms involved in the solicitor apprenticeship scheme, and meet current apprentices. For more information and to register for the North East Solicitor Apprenticeship event, see <https://www.muckle-llp.com/careers/solicitors-apprenticeship/>

BOTH YEARS **Pilot Careers Live**, held at London Heathrow Airport on **Saturday 14 April 2018**, is Europe's largest **aerospace career exhibition**. The event covers every aspect of **how to become a professional pilot** and in addition the diverse range of **aerospace career paths**, from aero engineering to air traffic control. The list of **exhibitors** at the event includes aviation training companies, airlines, universities and career experts, and there will be a series of **career presentations** throughout the day. For more information and to buy tickets for the event (starting at £5.00), see <https://www.pilotcareernews.com/live/london/>

YEAR 13 Nissan have two **apprenticeship vacancies** at their **Sunderland plant**:

- **Quality Technical Support Apprentice**. The three-year scheme combines both practical and theoretical skills, with apprentices gaining an insight into all aspects of automotive and manufacturing quality. Apprentices will acquire the skills and knowledge required to work as part of the team responsible for assuring quality of the parts and facilities at Nissan. The role is 39 hours per week, with a salary range of £12,236 – £20,189. The closing date for applications is **15 April 2018**.
- **Trainee Manufacturing Staff – Panel Repair Apprentice**. The two-year scheme provides apprentices with the specialist skills and knowledge required in all aspects of metal surface refinishing, working within the Press Shop. The role is 39 hours per week with a salary of £12,236. The closing date for applications is **27 April 2018**.

To find out more and apply, see <https://careersatnissan.co.uk/nissan-apprenticeships/>

BOTH YEARS **EGGER** have **summer placements** available at their **Hexham plant** for Sixth Form students who would like to **gain some work experience** before applying to university or after leaving school. They have placements available in a **variety of departments**, including Production, Engineering, Laboratory, Customer Service, Logistics, Finance, IT, Marketing, Quality, Human Resources, Administration, and Wood Purchasing. The closing date for applications is **13 April 2018**. For more information and to apply, go to https://recruiting.egger.com/neptune/unreg/z_erec_jobsearch.html?sap-language=en&country=GB and search for 'summer placements'.
