Dear Parent/Carer

Re: Visit to Whickham Thorns Dry Ski Slope for Novice/Beginner Skiers

As our visit to Serre Chevalier approaches I would like to organise a session on the dry ski slope for each of the **first time skiers**.

These visits have proven to be very valuable in raising student awareness of issues related to skiing. The visit will also provide the opportunity for students to gain experience of the basic movements involved in the activity.

Would you please complete this form if your son/daughter is a first time skier and return it along with the other documentation.

Students will need to wear loose fitting tracksuit bottoms and **must** have both their ski socks and a pair of gloves to wear; a suitable jacket should be worn if the weather is bad. The skis and boots will be provided at the centre and I will be providing the instruction.

Would you please complete the attached consent form and return it to me along with £11.50 (cheques payable to NCC QEHS with student's name written on the reverse please) to cover the hire of the slope and transport costs.

Yours faithfully
