

LESSONS FROM EASTER TO MAY HALF-TERM:

All lesson resources will be added to **Moodle**.

(<https://www.gehs.net/moodle2/course/view.php?id=264>)

Students must complete the following each week:

LESSONS: Complete the activities in the lesson files for the week. Follow the instructions in the PowerPoint. Use the answers to correct your work. This work will be submitted in your book when we return to school.

VOCAB AND COMPREHENSION: Learn the words for each week from the Theme 2 Homework booklet which is on Moodle.

Complete the online **vocab test** on Moodle and submit your responses. You must complete the vocab test within the week set, otherwise it will no longer be accessible.

Complete the **comprehension exercise** on Moodle. This is in place of the homework task in the Homework booklet.

OTHER POSSIBLE WEEKLY TASKS:

1. **Listening practice** from Kerboodle: use the online book pages to click on the sound files: just listen for comprehension. Alternatively, select the 'resources' tab, and choose a topic we have covered, where the activity is 'interactive'.

2. **Reading practice** from Kerboodle (and languages online): opt for any activities that are 'interactive' on topics that we have covered in class.

3. **Writing & Grammar practice:** practise writing 40 words in French, under the following headings:

- Ma maison
- Ma ville
- Ma région

ADDITIONAL PRACTICE:

- In Moodle, access the preparation materials for the speaking examination.
- Kerboodle offers many interactive grammar exercises you should try, as well as topic-based interactive reading and listening activities: choose **only** the topics we have covered in class
- Use the languages online website for French Revision – the following links are the most helpful for tenses: <https://www.languagesonline.org.uk/Hotpotatoes/frenchindex.html#Grammar>
- GCSE Pod – short explanations of grammar and vocab topics
- Read through notes you have made in your regular exercise book – make revision cards with the most useful tips & vocab
- Use your Revision guides & workbooks; these contain a wealth of explanations, as well as exam practice questions, with answers for self-marking. Choose topics we have covered in class.

ANY ADDITIONAL TASKS CAN BE EMAILED TO YOUR TEACHER.
