

LESSONS FROM EASTER TO MAY HALF-TERM:

All lesson resources will be added to **Moodle**.

Students must complete the following each week:

LESSONS:

- Complete the activities in the lesson files for the week.
- Follow the instructions in the PowerPoint.
- Use the answers to correct your work in RED PEN, keeping scores in the margin.
- This work must be completed in your book and will be checked when we return to school.

VOCAB AND COMPREHENSION:

- Learn the words for each week from your paper booklet (there is also a copy on Moodle).
- Complete the online **vocab test** on Moodle and submit your responses. You must complete the vocab test within the week set, otherwise it will no longer be accessible.
- Complete the weekly **reading/writing tasks, just as you would for Mondays every week**. Mark your homework using the answer slide.

OTHER POSSIBLE WEEKLY TASKS:

1. **Listening practice** from Kerboodle: use the online book pages to click on the sound files: just listen for comprehension. Alternatively, select the 'resources' tab, and choose a topic we have covered, where the activity is 'interactive'.
2. **Reading practice** from Kerboodle (and languages online): opt for any activities that are 'interactive' on topics that we have covered in class.
3. **Writing & Grammar practice**: practise writing 40 words in German, under the following headings:
 - Mein Urlaub
 - Meine Stadt
 - Mein Lieblingsland

ADDITIONAL PRACTICE:

- Kerboodle offers many interactive grammar exercises you should try, as well as topic-based interactive reading and listening activities: choose **only** the topics we have covered in class
- Use the languages online website for German Revision – the following links are the most helpful for tenses: <https://www.languagesonline.org.uk/Hotpotatoes/germanindex.html#Grammar>
- GCSE Pod – short explanations of grammar and vocab topics
- Read through notes you have made in your regular exercise book – make revision cards with the most useful tips & vocab. Do the same for you exam prep exercise book.
- Use your Revision guides & workbooks; these contain a wealth of explanations, as well as exam practice questions, with answers for self-marking. Choose topics we have covered in class.
- Languages Challenge ideas in Moodle
