

3 July 2020

Dear Parent / Carer

I am writing to let you know that the Government has confirmed that it plans for all pupils, in all year groups, to return to school full-time in September. This is of course great news and will be welcomed by you at home as much as it is by us in school. Very comprehensive guidance was provided yesterday to support schools to prepare for this full return, which we are now in the process of digesting carefully, as you would expect.

I shall write to you again before the end of term with fuller details. In the meantime, please read the guidance that the Government has provided for parents and carers, which you can find [here](#). They have also updated their guidance for the current period to the end of August, which you can find [here](#).

Yours faithfully

Graeme Atkins
Executive Headteacher
