## Sixth Form Bulletin 18/09/20

Queen Elizabeth High School, Hexham

## Sixth Form Notices

**BOTH YEARS** Reminder: QEHS Sixth Form Students - follow our Instagram page! We are @qehs\_sixth\_form (<a href="https://www.instagram.com/qehs\_sixth\_form/">https://www.instagram.com/qehs\_sixth\_form/</a>)

The Curriculum Team launched this Instagram page during lockdown to pass on relevant information, notices, and resources for progression. We will also regularly highlight opportunities that have been advertised in the Sixth Form Bulletin.

## **Enrichment**

BOTH YEARS Gresham College has released the schedule for their 2020-21 free public lectures. The lectures are currently held online, and the College has a searchable back catalogue of 2,500 free digital lectures. Enhancement activities such as these are a good example for UCAS statements or CVs of independent learning and using resources to explore topics in further depth and at a higher level outside of lessons. The 2020-21 lecture series includes:

- Astronomy: Cosmic Vision series by Astronomy Professor Katherine Blundell
- **English**: *The Powers of the Novel*, a one-off lecture on *Offensive Shakespeare*, and a series on classic film
- **History**: *Evil Women* by Professor Joanna Bourke, *England's Reformations*, and a Black History Month series.
- Law/Politics: Professor Leslie Thomas QC discusses police restraint and inquests into deaths in custody in *Death*, the State and Human Rights
- Maths: Mathematics in Music and Writing, Will Computers Outsmart Mathematicians?, and The Maths of Life and Death

There are also lectures in **Business/Economics, Classics, Geography, IT, Medicine, and Music**. For more information, see https://www.gresham.ac.uk/schools

## **University/College**

**YEAR 13 Reminder:** UK University and Apprenticeship Search are also running a new virtual event on Wednesday 7 October 2020 for **students looking to attend a Russell Group university**. The event will feature all 24 Russell Group universities, and students will be able to **chat directly** to university representatives, download documents and take part in **12 live webinars**. To register for a place, see <a href="https://russellgroup.vfairs.com/">https://russellgroup.vfairs.com/</a>

There will also be two **pre-event webinars** to help students prepare for the event, and to support students working towards the **October UCAS deadline**:

- Wednesday 23 September 2020 (12 noon): Applying to Oxford and Cambridge
- Wednesday 30 September 2020 (12 noon): Applying to Russell Group universities

Students who register for the above webinars will be sent a link to the **recorded version** after the live session.

YEAR 13 Cambridge University is holding more online open days on 17 and 18 September 2020 (see <a href="https://www.undergraduate.study.cam.ac.uk/events/cambridge-open-days/virtual-open-days-programme">https://www.undergraduate.study.cam.ac.uk/events/cambridge-open-days/virtual-open-days-programme</a> for more details). In addition, King's College at Cambridge are holding sessions run over three days (17, 18 and 19 September) that will include Q&As with their admissions tutors and students, and virtual tours of the college where students can find out more about the College's facilities. To book a session, see <a href="https://www.kings.cam.ac.uk/study/september-virtual-open-days-17-18-19-september-2020">https://www.kings.cam.ac.uk/study/september-virtual-open-days-17-18-19-september-2020</a>

King's College are also running two **Application Support Q&A sessions** on Zoom ahead of the <u>15 October</u> deadline for **students who are planning to make an application to Cambridge**. The sessions are designed to be very general so are suitable for **any applicant to Cambridge** regardless of the college they wish to apply to. For more information, see the links below.

- Application Support Q&A: Thursday 1 October (4pm 5pm)
- Application Support Q&A: Thursday 8 October (4pm 5pm)

YEAR 12 Sutton Trust are accepting applications to their Pathways to Medicine programme. The programme was designed to widen access to the medical profession and enables students to decide whether medicine is the right path for them, while building knowledge and skills relevant for higher education and the world of work. The 2020-2022 Pathway will initially take place virtually until face-to-face sessions can be delivered safely; Newcastle University are one of the four institutions delivering the programme. Please note that there are eligibility criteria including academic achievement, first generation to go to university, and eligibility for free school meals. The deadline for applications (for Newcastle) is 20 November 2020. For more information, see https://www.suttontrust.com/our-programmes/pathways-to-medicine/
