

# Sixth Form Bulletin 05/03/21

Queen Elizabeth High School Hexham

Opportunities from the bulletin also feature on our Instagram: @qehs\_sixth\_form

## Notices

**Year 11** – Newcastle College are holding a virtual parent's evening on Thursday 11<sup>th</sup> March 4-5pm and 6-7pm, this is designed to be an opportunity to find out more and ask questions. [www.ncl-coll.ac.uk/events](http://www.ncl-coll.ac.uk/events)

**Year 13** - UCAS extra is now open for students who applied for five courses and did not receive any offers, so that they can apply for additional courses. <https://www.ucas.com/undergraduate/after-you-apply/types-offer/extra-choices>

Remember, if you receive all of your university decisions before the 20<sup>th</sup> May you have until the 10<sup>th</sup> June to reply to them. Use the time between now and then to research your firm and insurance choices carefully and find out more about the departments. For your insurance place to be of use to you it should either be a lower offer or allow more flexibility over the qualifications it accepts to form part of the offer or be less prescriptive over specific grades in specific subjects.

**Year 12 Parents-** date for your calendar, a higher education, gap year and employment evening will be held on the 29<sup>th</sup> April 2021. More details will follow.

## Not Going to Uni (this year)

Follow this link to view a publication which provides information for school leavers on the top 200 employers (as voted by students), it has interesting articles and provides a summary of organisations who recruit young people and at what stage(s) in their education [View the School Leaver 200 online](#)

If you are in Year 13 and would like to join or leave the notgoingtouni Teams group please contact [rruddick@gehs.net](mailto:rruddick@gehs.net)

## Super-Curricular

Corpus Christi College, Cambridge are running virtual subject masterclass days from 22 March–1 April 2021. These masterclasses are aimed at students currently in Year 12 who might consider making an application to Cambridge in the next academic year. Each day will focus on a different subject and will include two academic lectures with Corpus academics, a talk on applying to Cambridge, and a chance to speak to current undergraduate students in relevant subjects during a virtual tour of the College and a student panel discussion. The following subjects will be covered: Creation and Cosmology; Geography; Classics; Medicine; Archaeology; Philosophy; Engineering; Anglo Saxon, Norse and Celtic; HSPS; Chemistry. Full details of the programme and booking forms can be found on [their website](#). **Please note that students will need to be nominated and registered by school in order to attend, and each school can nominate up to three students per subject.** Please contact Joanne Smeaton by **9am on Thursday 11<sup>th</sup> March** to let her know the subject masterclass you would like to attend.

## Apprenticeships

### Year 11-13

To mark International Women's Day on 8<sup>th</sup> March 2021, the Royal Air Force are running a webinar for students in Years 11-13 to explore the apprenticeship and career opportunities open to them. The webinar takes place from 2-3:30pm and will include a mix of presentations and interactive workshops.
