3 March 2022

Dear Parent/Carer and Student

Year 11 and Year 13 (Academic Year 2019-20) Celebratory Evening

Due to the restrictions created by the pandemic, we were not able to hold our scheduled celebration evening in December. However, because our students work really hard and achieve success in so many different ways and it seems fitting to still honour their successes. Therefore, we have put together an online celebration film and award giving.

There is a first and second prize winner in each category. To have been nominated for either prize is an excellent achievement in a year group of almost 300 students. Students have been nominated by either their subject staff or their year team.

You can access the online celebration at the link below. We are very grateful to Matthew Wells, alumni of the school, who has recorded a message to our students. There is also a link on the school website.

Congratulations.

Yours sincerely

Neil Seaton
