Having received my mark for the Art & design A-level (Personal investigation) I wish to apply for a review of marks. I have outlined the reasons for my application for a review of marks below:

----------------------------------

I am aware of the following centre policy for review of marking:

*The moderation process carried out by the awarding bodies **may result in a mark change, either upwards or downwards**, even after an internal review. The internal review process is in place to ensure consistency of marking within the centre, whereas moderation by the awarding body ensures that the centre marking is in line with national standards. The mark submitted to the awarding body is subject to change and should therefore be considered provisional.*
