

Opportunities from the bulletin also feature on our Instagram: @qehs\_sixth\_form

We ask students and their parents to research fully any opportunities advertised in the bulletin to ensure they are happy with the organisation they are linking with and its value for money if there is a cost.

## Notices

### Year 13

The presentations from day three of the Progression Days can be viewed on our website by visiting <https://www.qehs.net/index.php/2022/06/24/year-13-progression-day-slides/>

### Year 11

#### T Levels: Information for Students and Parents

The Secretary of State for Education, Nadhim Zahawi, has written a letter to raise awareness of T Levels. These exciting new qualifications are one of your post-16 options. This letter has been sent to parents of the new Year 11s. It can also be viewed by clicking the following link [Open the letter to parents and students](#)

## University: Super-curricular

### You may be interested in these upcoming events.

*Please note: We have been asked by the universities to share their outreach activities with you. To find out more about a university use university league tables and to research the course area you are interested in at a specific university use <https://discoveruni.gov.uk/> where the views from the most recent graduates on their degree experience have been sought.*

**Year 11**

**Year 14**

### **Jaguar Land Rover Retail Apprenticeships**

A Jaguar Land Rover retailer apprenticeship is a perfect opportunity to work for a highly prestigious car brand whilst gaining valuable skills, knowledge and experience in the automotive industry.

The apprenticeship programme is currently looking for apprentices all across the UK to become part of the team. All apprentices will be employed full time in a local retailer. Apprentices will also receive a combination of on the job and off the job training. On the job training will include having an experienced mentor who will provide help and support with work completed in the retailer. With off the job training, apprentices will have both face to face classroom-based training in one of the state-of-the-art training academies and online training through virtual classrooms.

To join the Jaguar Land Rover retailer apprenticeship programme, applicants must have achieved or be predicted to achieve GCSE grades 9-4 (A-C) or equivalent in English, Maths and two other subjects.

## Careers and Work Experience

**Year 11**

**Year 14**

### Millets, Hexham – Part-time Sales Assistant

Being part of the team, you will be responsible for ensuring customers receive the best possible service each time they visit the store. You will assist in maximising store profitability by exceeding sales targets and utilising the in-store devices, while contributing to a successful store team.

For more information, please telephone Jennifer Armstrong on 01434 693 606

**All Year Groups**

### National Manufacturing Day - Open Day Event - Heat Exchange Group, Prudhoe

Come and see what happens behind the scenes at one of the longest running manufacturers in the UK.

Heat Exchange Group and Green's are opening their doors to clients, students and the local community on Thursday **7th July 2022**, and you're invited!

This exciting open day event will take place at the service centre of excellence in Prudhoe, NE42 6PX.

Customers past, present and future, including other manufacturing businesses in our local area and supply chain, have the opportunity to discuss optimisation of equipment for money saving and carbon reduction, tapping in to a wealth of extensive subject matter expertise.

The careers event will focus on engaging the local community with careers in the manufacturing sector, whether you're a school leaver, graduate or simply interested in reskilling, upskilling or changing the direction of your career.
