Psychology/Sociology: Sanity & Society (17 Oct) & Women's Offending (11 Oct)

On October 17, Dr Brian Callan, Lecturer in Psychosocial Studies at Goldsmiths, will look at the interplay of sanity and society. This session will look at how societies not only understand but also shape concepts of mental health and illness.

- **October 17 @ 12:45 - 13:30 Psychology/Sociology: Psychopathology with Goldsmiths (KS5) [Find out more »](#) [NEW]**

Please note, as this webinar takes place over lunchtime and we will be hosting in HC5.

On 11 October, Professor Jo Phoenix from Reading will examine some of the major debates in criminology about who the real criminals are and what crime really is. Dr Jennifer Fleetwood will then explore re-thinking poverty as an explanation for women's offending, arguing the value of hearing women's own stories for understanding their involvement in deviance and crime.

- **October 11 @ 11:00 - 12:00 insight4me Criminology: Crime & Deviance with Reading & Goldsmiths (KS5) [Find out more »](#) [UPDATED]**

Year 12**Year 13****Debating Democracy & Participation with Sheffield - 11 October**

With fundamental issues of Democracy and Participation being hotly debated and challenged in UK society and political institutions, on 11 October there is an amazing opportunity for students to discuss the topic with Dr Siobhan McAndrew.

The session will be shaped by students' presubmitted and live questions and arguments. It promises to be an extremely rewarding hour for Politics students and for others with an interest in key issues such as democratic trust and distrust, political participation and disengagement, misinformation and disinformation and political protest.

Year 12**Year 13****RSA Report Launch at Northumbria 07 October - Impact of Universal Basic Income on Mental Health**

Drawing on cutting edge research across a wide range of fields, the panel will engage with the project's key findings:

- UBI is feasible
- UBI is an effective public health strategy
- UBI is popular and a likely vote winner
- UBI trials must be supported by policymakers

Chaired by [Patrick Hurley](#) of RSA North and with a welcome to Northumbria by [Prof Tom Lawson](#), Deputy Vice Chancellor, Northumbria University, panellists include:

- [Prof Kate Pickett](#), author of *The Spirit Level* and a key contributor to the report
- [Beth Winter](#), Labour MP for Cynon Valley
- [Jamie Driscoll](#), Mayor of North of Tyne Combined Authority
- [Natalie Bennett](#), Member of the House of Lords and Former Green Party Leader
- [Alice Wiseman](#), Director of Public Health, Gateshead
- [Prof Daniel Nettle](#), Newcastle University, a leading behavioural scientist and key contributor to the report
- [Prof Matthew Johnson](#), the project's lead

Panellists will each respond to the key findings before opening the floor to questions.

Date: 7th October 2022

Time: 18:00-20:00

Location: Northumbria University: CCE1-001 (TLT) Ground floor of the City Campus East building (City East Campus), NE2 1XA

Year 12 Discover Durham University Live

Discover Durham Lives is for prospective students and parents, covering everything from colleges to sports and societies. Sessions are led by current students who want to share their own experiences and give you the opportunity to ask any questions you all might have about studying at uni.

If you're thinking of applying to Durham or you'd just like to know more about uni life, then these are the sessions for you.

For a full list of sessions and booking information, please click [here](#).

Year 12 Flying Start Degree Programmes

Flying Start degree programmes offer you the chance to go to university and start your career at the same time. You can study Accounting, Business Management or Technology, where you can earn a salary and fast-track your career while studying for your chosen subject.

Studying at university you'll get to experience the full-time student lifestyle but with integrated paid placements at PwC, meaning you'll have some money to enjoy it and you'll gain a degree.

Year 12

Allied Healthcare Mentor's NHS Virtual Work Experience Programme – 2 October

Take your first steps towards a healthcare career with the UK's only LIVE Virtual Work Experience Programme created and delivered by healthcare professionals. You can select from one day or a full 5 month work experience programme where you will follow patients from admission to discharge in the high fidelity simulation suite, designed to provide you with an immersive experience from the comfort and safety of home.

Attendees will have the opportunity to interact with healthcare professionals throughout each day. This will empower students to demonstrate their commitment to healthcare in their UCAS applications, and make an informed decision about their future careers.

Students can register individually at any time throughout the 5-month programme using the link below. We recommend booking early to gain as much out of this programme as possible. Places are £10 a session to cover administrative and technological costs.

To register, please click [here](#).

Year 12

Year 13

Jimmy Choo Online Event : Special Invite (12 Oct)

Prof. Jimmy Choo, internationally famous designer to royalty and celebrity, invites you to hear him talk about his illustrious career and of his newly opened London Fashion Academy, the JCA.

This event will showcase the Academy's majestic Mayfair campus for design entrepreneurs and the newly opened Maker Space for craftspeople and artisans.

The Academy offers specialised degree programmes, short courses and summer schools for learners that want to be fashion design pioneers.
