Year 13

In PSHE next Monday (28th November) Newcastle University are running a medical ethics workshop in PSHE 14:15-15:15pm for any Year 13 applying for medicine or a health-related course. The session will take place in conference room two (first floor of the Hydro) and provide students with the opportunity to talk through ethics based scenarios in small groups.

University: Super-curricular

You may be interested in these upcoming events.

Please note: We have been asked by the universities to share their outreach activities with you. To find out more about a university use university league tables and to research the course area you are interested in at a specific university use <https://discoveruni.gov.uk/> where the views from the most recent graduates on their degree experience have been sought.

Medicine/Healthcare Interviews - UEA - 7 December

Charlie Williams and Stephanie Jong from UEA will address interviews for medicine or health related courses at university, which often feel very daunting for students. Charlie and Stephanie will talk through some tips and tricks to ensure students are fully prepared for the interview process.

- **December 7 @ 17:00 - 18:00 HE Guidance: Medicine & Healthcare University Interviews - UEA (KS5) [Find out more](#) » [NEW]**

Politics: Major UK Parties - Divided or United? - UEA - 7 December

Dr Eitan Tzelgov, Associate Professor in Politics at UEA, will ask the questions: 'Are UK parties divided or united?' and 'Why does it matter?'

Eitan will examine evidence of division and unity in the UK's major parties, looking at the trajectory of parties over the last 30 years and referencing political science research to consider the implications of party divisions for the next election.

Careers and Work Experience

Year 14 Science Technician Vacancy (QEHS)

We have a science technician vacancy which might suit a gap year student who has studied a science subject in Sixth Form or even an older student who is completing a part-time qualification. Ideally the position needs to be filled from December 22 to July 23 but this could be for a shorter period by agreement. Ideally we would like the candidate to work 37 hours per week Monday to Friday but we would consider part-time. The contract is for term time only and the rate of pay is £11.19 per hour.

The vacancy would suit someone who is organised, hardworking and a flexible team player, full training would be given as you would be joining a team of two experienced technicians who make sure the science department runs smoothly. The main responsibilities include:

- Assisting teachers in the Science department when preparing for practical lessons
- Preparing and setting out equipment and materials for lessons
- Promote the awareness of health and safety in the laboratory and show commitment to the safeguarding of our students
- Maintenance of the stocks of science chemicals and equipment

If you are interested in the position please contact Rachael Stokes rstokes@qehs.net by email in the first instance, letting her know a little about the subjects you have studied, any voluntary or paid work experience you might have had and your availability this year.

Year 12
