

Queen Elizabeth High School

Provider Access Statement

This policy statement sets out the school's arrangements for managing the access of providers to students at the school for the purposes of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Student entitlement:

At QEHS, we believe students from year 9 to 13 (at key transition points) are entitled:

- to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme, which provides information on the full range of education and training options available at each transition point.
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships
- to experience relevant assemblies, workshops and group discussions to build career-sector knowledge.

Management of provider access requests

Procedure: A provider wishing to request access should contact:

Mr Paul Freeman-Myers

(Assistant Headteacher/Careers Lead)

Telephone: 01434 610300

Email: admin@hexhammiddle.org.uk

Opportunities for access

A number of events, embedded into the school careers programme, will offer potential providers an opportunity to come into school to speak to pupils and/or their parents:

- Bespoke assemblies (available across 2022-23 on request, including National Careers Week in March)
- Tutorial sessions, Drop-down Day events and workshops (subject to availability and other timetable commitments - see careers education road map for overview of activities in each year group)
- Curriculum talks within subject areas. We welcome engagement within all subject areas especially STEAM (Science, Technology/Engineering, Art and Maths) subjects and PSHE.

Please note our [Safeguarding and Child Protection Policy](#)

The school will make the main hall, classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The school will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Leader or another designated member of staff. Providers are welcome to leave a copy of their prospectus or other relevant course/company literature at the Learning Resource Centre which is managed by an LRC Coordinator. The LRC is available to all pupils at break and lunch time.

For a comprehensive overview of the career programme for all year groups in 2022-23 please visit our website; [insert link](#)

Respect. Engage. Aspire
