

POST RESULTS SERVICES – SUMMER 2023

If you wish to access any post results services, please read the following and complete a separate POST RESULTS SERVICE APPLICATION form for each request. Access to scripts (ATSO/ATSC/ATS) options require you to also complete a CANDIDATE CONSENT FORM (available from the Exams Office) BEFORE an application is submitted.

Your final mark can be LOWERED or RAISED as a result of a clerical check or any review of marking.

- 1: Clerical Check:** The Script is not remarked but is checked to ensure that all parts have been marked and the marks have been totaled up correctly.
- 2: Review of Marking:** If you wish to apply for a Review of Marking (RoM) please contact your subject teacher for advice before completing the application form.
- 2P: Priority Review of Marking:** This service is for students awaiting University places. Please contact the sixth form office for advice first.

ATSO: Do not ask for your original script if you think you might make any kind of appeal about your results. (Once it sent then the scripts security will be compromised).

ATSC: Return of photocopied script. This should enable you to request a Review of Marking if required.

ATS: Photocopy of script post review of marking.

EACH COST IS FOR ONE EXAM PAPER ONLY. If you sat more than one exam for a subject you must decide which paper you would like to have checked or reviewed, and make this clear on your application. Please pay separately for each application ie separate cheques or separate envelopes of cash clearly marked with candidate name and candidate number.
