Do you want to be a Domestic Abuse Champion?

The West End Women and Girl's centre are running a course to share education on domestic abuse with any Year 12 girls who are interested.

The sessions include:

- What is domestic abuse
- The different types of abuse
- Why domestic abuse still happens
- Gender inequality self esteem
- Social media and campaigning

We know young people prefer to talk to other young people about their relationships. This course offers a safe and confidential space for young people to explore what a healthy relationship is and looks like. All those who attend each session graduate as domestic abuse champions and will receive a WEWAG hoody and a certificate.

If you are interested, please email Lucy or Jen at jballantyne@qehs.net

Bitesize Uni: Y12 Summer School – Newcastle

The event is designed to support you:

- make an informed decision about whether or not you want to go to university
- try out subjects you might want to study
- experience student life, live in Newcastle University accommodation
- gain a sense of belonging and find out whether university and Newcastle are a good fit for you
- meet new people - get to know current university students and other year 12 students from around the UK

During the summer school, you can experience a wide range of academic subject taster sessions, workshops, and talks. Our aim is to give you the motivation to achieve your goals and the confidence to apply to university.

All costs are covered by the University, including your travel to and from Newcastle upon Tyne.

BSU is a timetabled event. It's important to note that you won't have free time to shop in the city centre. All sessions are compulsory.

University Open Days

An Open Day is when a university invites prospective students to come and look around their campus and ask any questions about the available courses. They're usually large, coordinated events that showcase learning facilities, accommodation, social aspects of university life and more.

Universities host Open Days to allow you to get a feel for an institution. You'll get to meet lecturers, students and staff and hopefully leave with lots of information to help you make an informed decision about attending university.

You can find a list of open days by visiting <https://www.opendays.com/>

This list is not exhaustive. If there is a particular University you are interested in, please check their own website for details.

Painting the Modern Garden: Monet To Matisse – The Forum Cinema, Hexham

Claude Monet was an avid horticulturist and arguably the most important painter of gardens in the history of art, but he was not alone. Great artists like Van Gogh, Bonnard, Sorolla, Sargent, Pissarro and Matisse all saw the garden as a powerful subject for their art. These great artists, along with many other famous names, feature in an innovative and extensive exhibition from the Royal Academy of Art, London.
