

Online Masterclass

A Career as an Engineer

This inspiring and insightful Masterclass will be delivered by a Chartered Mechanical Engineer who will share with you his 30 plus years Global Experience of Engineering and Programme Management. He will talk through his own development, the various roles and positions that he has held, and the locations where he has worked, giving you a fantastic insight into what a career as an Engineer could look like. You will also get the opportunity to ask questions.

Getting into Engineering

Why consider Engineering?

Types of Engineering

What transferable skills do Engineers have?

Functional & Programme Management

Would you want to work abroad?
