

UNIVERSITY RESIDENTIALS

15-16 APRIL

Calculating Women

For Y11 female and non-binary students interested in maths-based degrees

Take part in hands-on maths challenges, be taught by Cambridge academics, and learn more about careers in maths-related fields

16-17 APRIL

World of Words

For Y12 students interested in languages, literature, and culture

Explore different subjects, meet current Cambridge students, and learn more about university study

20-21 APRIL

Small Subjects

For Y12 students looking for new ways to explore global issues

Be introduced to new subjects, tackle society's big questions, and meet Cambridge academics and students

Free of charge, accommodation and food provided

APPLY BY 27 FEBRUARY 2026
