What does this policy affect?

This policy affects the delivery of all specifications with one or more non-examination assessment component, controlled assessments (where applicable) and coursework.

The regulators' definition of an examination is very narrow. In effect, a non-examination assessment (NEA) is classified as any type of assessment that is not:

- set by an awarding body
- designed to be taken simultaneously by all relevant candidates at a time determined by the awarding body, and
- taken under conditions specified by the awarding body (including conditions relating to the supervision of candidates during the assessment and the duration of the assessment)

'NEA' therefore includes, but is not limited to, internal assessment. Externally marked and/or externally set practical examinations taken at different times across centres are classified as 'NEA'. (JCQ's **Instructions for conducting non-examination assessments (GCE & GCSE)**, Foreword)

(This document is further referred to in this policy as [NEA](#))

The Joint Council for Qualifications has written these instructions for the setting, supervision, authentication, marking, internal standardisation and external moderation of non-examination assessments (Vocational and Technical Qualifications) in examination centres.

These instructions are for use in vocational and technical qualifications (JCQ's **Instructions for conducting non-examination assessments (VTQs)**, Introduction)

(This document is further referred to in this policy as [NEA VTQs](#))

These instructions are for use in CCEA GCE unitised AS and A-level qualifications, ELC and Project qualifications. (JCQ's **Instructions for conducting coursework**, Introduction)

(This document is further referred to in this policy as [ICC](#))

Purpose of the policy

This policy confirms the JCQ requirement that [Queen Elizabeth High School](#) has in place for inspection that must be reviewed and updated annually, a written policy regarding the management of non-examination assessments including controlled assessments and coursework, which includes details on how candidates' work will be authenticated.

Awarding bodies require each centre to have a non-examination assessment policy in place to:

- cover procedures for planning and managing non-examination assessments
- define staff roles and responsibilities for non-examination assessments
- manage risks associated with non-examination assessments

A JCQ Centre Inspector may ask the examinations manager to confirm that a policy is in place. Guidance provided in this document will help the head of centre to ensure that the centre's policy is robust and fit for purpose. ([NEA 1](#))

What are non-examination assessments?

(GCE and GCSE) Non-examination assessments measure subject-specific knowledge and skills that cannot be tested by timed written papers.

There are three assessment stages and rules which apply to each stage. These rules often vary across subjects. The stages are:

- task setting
- task taking
- task marking ([NEA 1](#))

(VTQs) Non-examination assessment components assess candidates' knowledge, understanding and skills that may not readily be assessed by timed written papers. Non-examination assessment will take many different forms. ([NEA VTQs 1](#))

What is coursework?

Coursework components assess candidates' knowledge, understanding and skills that may not readily be assessed by timed written papers. Coursework will take many different forms. ([ICC 1](#))
