## FUNCTIONALISM

### The Organic Analogy

Institutions in society work together, like organs in a body

## MARXISM

## FEMINISM

## INTERACTIONISM

## THE NEW RIGHT

### New Right

#### Solutions

1. A return to traditional family values e.g. life long marriage, recognition of the duties and responsibilities of parenthood
2. A change in government policy e.g. redirecting welfare benefits and social service provision to support and maintain two parent families

## POST MODERNISM

Well done for completing this! Please bring this to your first sociology lesson in September.
